STUDENT ELIGIBILITY FOR ALL-STATE ENSEMBLES

All West Virginia students are encouraged to participate in All-State Ensembles. All-State eligibility requirements are as follows:

Public and Private School Eligibility:

1. Applicants must be enrolled and participate in a West Virginia school ensemble that regularly rehearses and performs within the local school district.
2. Applicants must participate in a similar ensemble for which they are applying (i.e., choral applicants in choral ensembles, instrumental applicants in instrumental ensembles). Exceptions may be made when there is no eligible ensemble within the student's district (e.g., no elementary choir, or orchestra for strings players). Each All-State Chairperson and WVMEA President will determine student eligibility in these exceptions.
3. Applicants must be sponsored by their primary ensemble director/teacher, who must be a current member of WVMEA/ NAFME.
4. All-State Ensemble members must be accompanied to the annual WVMEA In-Service by his/her sponsoring teacher, who must be registered to attend.

Home-Schooled Student Eligibility:

Home-schooled students are eligible to apply for WVMEA All-State Ensembles. The following criteria must be met:

1. Applicants must be enrolled and participate in a school ensemble that regularly rehearses and performs within the local school district wherein they reside with their parents or legal guardians. Home-schooled students must participate in a similar ensemble for which they are applying (i.e., choral applicants in choral ensembles, instrumental applicants in instrumental ensembles). Exceptions may be made when there is no eligible ensemble within the student's district (e.g., no elementary choir, or orchestra for strings players). Each All-State Chairperson and WVMEA President will determine student eligibility in these exceptions.
2. Applicants must be sponsored by their primary ensemble director/teacher, who must be a current member of WVMEA/NAfME.
3. All-State Ensemble members must accompanied to the annual WVMEA In-Service by his/her sponsoring teacher, who must be registered to attend.

Community Ensembles

WVMEA encourages participation in community ensembles, however such participation does not constitute the fulfillment of ensemble membership requirements. In some cases, community ensembles have collaborated with the local school board to offer a high school credit to those participants. If a WVEIS number/ course exists and is listed as a music course receiving a fine arts credit, exceptions can be made at the discretion of the All-State Chairperson and the Executive Board. The teacher/ director will be asked to provide proper documentation of such arrangement.

School Requirements

Students must attend a school registered with the West Virginia Department of Education in order to participate.
